How to fix when the service is unavailable

Charge Instruction

- ① Check the battery if it is fully charged.
- ② Check the egg battery if its status indicator turns red when connecting to a proprietary charger(adaptor).
※ When the battery is fully charged, it turns green from red.
- ③ If it is connected to the proprietary charger(adaptor) and does not turn red, it means a bad adaptor.
Please call KT Customer Center.

Power Instruction

- ① Turn off the power and then turn it back on.
 - ② For the set-up instruction of your device, please refer to the separate page since it is different for each device model.
 - ③ Initialize your device.
- ※ Please refer to pages 5-7 if you need further instructions on each device's set-up.
- ※ If this instruction does not help you to solve the problem, please contact KT Customer Center. (p.8)
